We strongly recommend you read the provided information and ask questions to confirm your understanding of how the Service operates. You will be required to sign and return the form on the last page of the handbook to confirm you have read and understand the information you have been given in your enrolment pack.

*We have an open-door policy and you and your family are welcome to visit our Service at any time.*

### In Relation to Our Team

Our team consists of group of people who trust and inspire each other. We help each other to get things done and to succeed beyond what we thought possible. The responsibility of our management team is not to come up with all great ideas but to create an environment in which great ideas can thrive. We work together to create a warm and friendly atmosphere for all.

We are strong in terms of leadership succession. We discover, cultivate, retain, and teach employees to fill available leadership positions. We offer a robust mentorship system to enhance staff training and skill development. Our open-door policy for staff instils in them the confidence and comfort to approach the office and discuss any concerns.

We believe that the knowledge, multicultural backgrounds and experience of all our educators and staff members will enrich the quality and diversity of our service.

Our educators understand that children's play is a serious learning and for that reason, they broad their offerings to be responsive to children's interests. We offer an atmosphere where children will be loved, respected and cared for; where they will be seen and listened to; where they will be lots of chances to make mistakes and encouragement to try again; where they will learn in the wildest possible way about others, and about the world.

### In Relation to the Community

We believe that the cultivation of a happy and enriched life is not only through personal achievements or material gain but also through the pursuit of enduring relationships, and challenges that provide opportunities for development, as well as through meaningful connections and contributions within our community and the broader communities.

We celebrate differences and reinforce to build understanding between people, to be respectful and open to different cultural perspectives, to strengthen cultural security and work towards equality in opportunity.

We strive to be positive role models for the young minds in our care by sharing our knowledge, being generous to those in need, expressing gratitude for what we have, and being accepting of those who are different from us. Our educators believe that instilling in children a sense of responsibility towards their local and broader communities will benefit them not just during their time in our care, but for many years to come.

## Shire Child Care Centres Philosophy

### In Relation to Children

We aim to provide a play environment where children will laugh and cry; where they can explore and experiment; where they can create and destroy; where they may sometimes be bored and frustrated; where they can feel free for self-expression; where they can get support required to manage and overcome difficulties; where they can engage in a range of play and leisure experiences that allow them to feel safe and relaxed, and to interact with friends, practice social skills, solve problems, try new experiences, and learn life skills.

We use Maslow's hierarchy of needs to ensure that children are supported beyond their basic needs. We encourage and provide opportunities for the children's growth and development, so that they can realise their maximum potential and become their best selves.

Our educators strive to create a home environment where children spend time developing the knowledge and skills for citizenship.

### In Relation to Education

We acknowledge that each child is a unique individual and is to be viewed, respected, celebrated and treated as such. We acknowledge the Aboriginal and Torres Strait Islander perspectives and work towards building sustainable relationships.

Children are competent and capable learners, with their own interests' strengths and backgrounds. Educators acknowledge approaches that are culturally and linguistically relevant and are also responsive to children's social, physical and intellectual capabilities and based on this evidence curriculum is developed. We believe that children learn the best when you give them time, space and freedom from strict rules and structure. We aim to design playful, child lead curriculum activities where they can play in the mud, make slime, get messy, play pretend, have dance parties, have picnics, laugh and joke, embrace their time and make it magical while attending our services.

Alongside the desire to deliver the best possible outcome to every child, we have linked with the Little Scientists Australia professional development program. The program is developed to provide children with opportunity to explore STEM with confidence and joy.

### In Relation to Families

We acknowledge the traditional custodians of the land, the Dharawal people and their language and all the Aboriginal and Torres Strait Islander people in the community. We have developed a RAP to continuously progress the reconciliation commitments.

Removed section and moved to community.

We value the importance of family and encourage their involvement in all areas of our program. All families are welcome and are encouraged to participate in our service where all feedback and suggestions are valued and respected.

Our service supports families in their parenting role and offers a collaborative approach to the nurturing and education of the children. We believe that without a sense of caring there can't be no sense of community and for that reason, we encourage each family to participate in our OSHC community. Our open communication and open-door policy invite families to engage with the service while maintaining confidentiality and respect of privacy, which is paramount in fostering relationships.

- Child Care Subsidy is paid directly to providers to be passed on to families as a fee reduction.
- Families will contribute to their child care fees and pay to the Service the difference between the fee charged and the subsidy amount.
- To be able to receive your CCS, please ensure your child/ren attend the first booking session and the last booking session of the year, as per government law and regulations.

We value your involvement and contribution to the Service therefore please feel free to talk to a **senior staff** member regarding your child or any issue that may concern you. If your child has any worries, questions or concerns, please encourage them to speak to a senior Educator at the Service.

While the Service encourages parents / guardians to enquire about their child please be brief as it is the staff's primary purpose to care for the children. Appointments may be made for lengthy enquiries.

### The Program:

Our Service follows & implements the My Time, Our Places framework together with the National Quality Framework. Our flexible program responds to the abilities, needs and interests of the children individually, and in group settings. All children's interests and abilities and suggestions make up the successful program our Educators implement. We value and encourage input from the whole family for the program. ## The Orientation Process:

All families enrolling for the first time are invited to visit the Centre before their child's first day of attendance. This provides an opportunity for children and parents to familiarise themselves with the Centre and its facilities and meet the centre's Coordinator. It also allows parents to share relevant information regarding their child and discuss any questions they may have regarding Centre procedures and practices.

## Your Child's First Day:

The first day at anything can be quite frightening even for the best of us. To assist your child to settle in please allow 10-15 minutes with your child engaging in an activity and getting to know the staff.

When it comes to saying goodbye, your child may become upset. Please say goodbye and say where you are going and that you will be back for them later and leave quickly. You may like to give them some form of comforter, e.g. a teddy. Whilst your child may become upset they will quickly become involved in one of the many activities provided as well as meeting new friends.

Please note that delaying your departure only leads to the child's confusion who will inevitably become more distressed. Please feel free to ring during the service to find out how your child is settling in.

## Belongings:

Please ensure all belongings are clearly labelled. Lost property is placed into a big tub next to the Parent library.

Parent co-operation in labelling assists the Service in keeping your child's belongings together.

***The service will not hold any responsibility for any personal belongings.***

## Toys:

Educators would appreciate children only bringing one toy to the Service. Toys from home can cause conflict between peers and children become upset if their toys are lost or broken.

**Please do not allow your child to bring Lego to the Service** as it cannot be distinguished from our Lego pieces. We take no responsibility for damaged or lost toys and toys brought to the Service will be confiscated. Toys must also be labelled with the child's name to prevent them from becoming lost. ***The Service discourages toys from home and will not hold any responsibility for any toys.***

## Electronic iPods, DS & Electronic Games:

Electrical devices such as iPods, DS, Electronic Games and mobile phones are permitted at the Service ONLY for academic purposes (doing homework) during School Term. If the children want to engage in any computer games, a time limit of 1 hour will be applied, acting according to our 'Technology Policy'

If you give your child a mobile phone for security purposes, the phone must stay in the child's bag.

We take no responsibility for damaged or lost electrical devices.

## Guidance and Discipline:

Educators follow a Behaviour Guidance Policy and the Behaviour Management Procedures which extends across the whole Service giving consistency of expectation with all groups of children. This policy allows children to develop self-discipline, a respect for others and for property and respect for self.

The policy aims are:

- To give all children the opportunity to expand their experiences of life in a productive, safe environment that allows individuals the right to safety, tolerance, self-expression, cultural identity, dignity and the worth of the individual, along with honesty in dealing with peers and caregivers.
- To be taught to respect the rights and needs of others by foreseeing the outcome of their behaviour and the consequences of their behaviour.
- To encourage the individual social development of each child.

To comply with the Centres policies and procedures on Behaviour the staff will document any inappropriate behaviour and develop Behaviour Management Plan in communication with families. All educators will follow the Behaviour Management Procedures and act accordingly.

If your child receives a behaviour management Plan, the following steps will be taken:

**WARNING 1:** The Coordinator/Nominated supervisor will report the Behaviour Incident Report and consult with the parents when developing the Behaviour Management Plan. The child will be assisted to develop strategies to improve their behaviour. All the strategies will be outlined in the Behaviour Management plan. Educators and child need to follow through the strategies developed. The behaviour management plan will be reviewed in 2 weeks' time and adjustments will be made if required.

**WARNING 2:** The Coordinator will consult with the family and offer strategies to overcome the issues causing concern. The family will be expected to support educators with the behaviour management plan and talk and guide the child to improve on her/his behaviour. Parents might be advised to seek professional assistance if needed. (The family is responsible for providing this information to the service as soon as practicable to avoid child/ren's exclusion from the service).

**WARNING 3:**

Where a child demonstrates consistent unacceptable behaviour, the coordinator will consult with the family to discuss the child's exclusion period from the service once all of the strategies developed have been exhausted.

**IMMEDIATE EXCLUSION FOR UNACCEPTABLE BEHAVIOUR:** In the interest of the safety & Well-being of the child and other children at the service, exclusion is sometimes the only step that can be taken. If an incident is deemed "critical" by the coordinator, instant termination will be considered without the three warnings being given.

\*Critical behaviour

- Destructive behaviour such as hitting, throwing things, screaming, running away from the service etc.
- Self-harm
- Indulging in sexual behaviours
- Continuous disrespect and backtalk. Not responding to instruction. Defying rules just to challenge educators.
- Bullying
- Using inappropriate language to educators and children.

Please refer to our Behaviour Guidance Policy and Behaviour Management Procedures for more information. If you require further information on this policy, please ask Educators and refer to the policy book.

## Parents

### Communication:

We believe the best way to work with you and your child is by building a **partnership of care**. To do this we want you to feel ***you are given lots of information about what is happening, and you are asked for your views.***

Everybody has a different communication style and time for communication. We understand that mornings and afternoons can be a little rushed, and not the best time to discuss your child. We have many types of communication we use for families in the Service just like you.

- A notice board next to the sign in/out iPad, where various messages and notices are displayed advertising current issues and upcoming events.
- Parents information area is created where families can access and learn more about our educational program, daily reflection, children's observations and photos and contribute to our QIP folder (Quality Improvement Plan).
- Regular parent meetings are held where parents can raise any issues or topics they feel relevant and contribute to decision making.
- Parents are more than welcome to email the Service expressing concerns, positive or evaluative input that they feel they need to let Educators know about.
- Occasionally Educators will ask parents to complete short surveys in order to maintain up to date records and seek parent feedback on various topics.

Policies will be regularly reviewed in a variety of ways (sign in area & newsletters to enable parent comment on Service practices)

### Confidentiality:

We are committed to protecting your privacy. We support and are bound by privacy laws to ensure strict confidentiality is maintained.

To plan programs with you we need to collect information from you. This information helps us to assess and plan programs in partnership with you. We do not disclose personal information about you or your child to other people or organisations without your consent unless we are required to do so by law. We do not ask for personal information about you or your child from other professionals or organisations without your consent. You can look at the information in your child's file at any time, or request a copy of information in the file.

### Priority of Access:

Please refer to our Enrolment Policy for more information about the Department of Education, Employment and Workplace Relations' (DEEWR) requirements for Priority of Access.

*\*Our service understand the unique rights that Aboriginal and Torres Strait Islander peoples have and for that reason we give them the priority of access to our service.*

### **Court Orders:**

Parents must notify the Service if there are any Court Orders affecting residency of their children and a copy is required for the Service. Without a Court Order we cannot stop a parent collecting your child.

### **Arrival and Departure:**

For safety and security reasons, **ALL children must be signed in on arrival, and signed out on departure using the App "OWNA" which families need to download from "Apple App Store or Google Play Store" This method allows parents to sign in/ out their children using their own mobile phones.** It is families' responsibility to allow enough time in the morning and afternoon to sign in/out their children from our service and inform a staff member of any relevant issues that might stop them from signing in/out their children.

OWNA offers the option of signing children in and out via personal phone devices. However, our service strongly encourages, as a preferable method, families to drop off and pick up children physically at the service, using the service device.

In case of an emergency parents are encouraged to call the service so that an educator can make arrangements to greet them in a timely manner during drop off.

If parents fail to sign in or out using the service device and use their own device instead, the sign in/out will remain pending until approved by an educator.

Should parents forget to sign their child/children in, they will be signed in by an educator / coordinator or nominated supervisor. The service will remind the parents to sign their child/children in for future reference.

Families will be held responsible for any avoidance of signing in/out their children and therefore putting themselves at risk by not receiving the correct Child Care Subsidy amount. *Please refer to our Parent's Sign in/out Policy.*

No child will be allowed to leave our Service with a person who is not stated on the enrolment form, unless prior arrangements are made with Nominated Supervisor. Your child must be brought into and taken out of the Service by a parent or guardian (over 16yrs old). Both parents have the right of access to their child, unless a court order is in place. Home and work telephone numbers and emergency contacts must be kept current and updated if changed. **It is your responsibility to keep your child's file up to date.**

**Please ensure your child is not dropped off before 7am. Your child must be brought into and taken out of the Service by a parent or guardian (over 16 yrs old). Please refer to the fees section regarding late fees for children picked up after 6pm.**

### **Excursions:**

The service provides excursions during before and after school care and during vacation care; a risk assessment is developed and a written approval from the parents is sought prior to the excursions. Transportation Policy and procedures are to be implemented. Policies can be found next to the sign in/out iPad.

### **Before & After School Care Fees:**

Families are required to complete the online Child Care Subsidy assessment via [myGov](#) website prior to starting at the Service. This will determine your eligibility and level of Child Care Subsidy entitlement.

On enrolment we will need the CRN of the person linked with the child, as long with the child's CRN so we can confirm register attendance and ensure that you are receiving the appropriate subsidy.

*\*For families who are using our bus service for transportation of their child/ren to and from their school, an additional amount of \$1 per day will be charged; if applicable.*

Type: (please <i>circle</i> ):	Casual	Permanent		Fortnightly		
Session and Fee Details		Session Start	Session End	Permanent Care	Casual Care	Term Booking Care
Fees to be charged to the individual for the sessions of care provided	AM	7:00	9:00	\$26.00	\$28.00	\$26.00
	PM	3:15	6:00	\$22.00	\$24.00	\$22.00
Unnotified Absences	PM sessions And vacation care sessions	\$15 per unnotified absence per child				

This includes a healthy afternoon tea and a comprehensive program of activities.

**The Service charges an administration fee of \$60.00 per family per calendar year (non refundable & GST inclusive).**

**An Unnotified Absence Fee of \$15 per child will be applied for unnotified absences. Additionally, any unattended sessions will be charged for and recorded as an absence.**

### Accounts:

Payments can be made via cash, cheque, direct deposit or DDR. Please ensure an DDR form is completed, authorising periodic bank deductions of fees owing. Receipts will automatically be sent by email for every DDR transaction. Any change of financial income will alter your fee structure, please advise our Service and FAO (13 6150) if this occurs. Legally, the Service is unable to speak to Centreline on behalf of a family.

### Attendance & Absence:

Public holidays, illness, family holidays, pupil free days or any kind of absence will be counted as an absence if the child would normally have attended the Service on that week day, and fees have been charged for that day for the child.

When there are any changes to your child's attendance for any reason, you need to contact us & your child's school directly. Therefore, if your child is sick, going on a private holiday or absent for any reason please inform the service and put the absent days on the OWNA calendar.

### Unnotified Absences:

It is crucial for us to ensure the safety of your child. If your child will not be attending a session, please notify us via the OWNA app before the session begins.

When a child does not show up for after-school care and we have not been informed of their absence, it places a significant strain on our service. Educators must stop all activities and search for the missing child, which can involve checking the school grounds, consulting with school staff, and contacting parents to confirm the child's

whereabouts and safety. This process disrupts the session and unfairly impacts the experience of other children.

To manage this process, a Search Fee of \$15 per child will be applied. Additionally, any unattended sessions will be charged for and recorded as an absence.

### **Allowable Absences:**

The Government allows 42 absent days per child, per financial year in total, 12 of which are public holidays. Full fees are charged once these days are exceeded.

### **Notice of Withdrawal:**

**2 weeks' notice is required when withdrawing your child from the Service.**

To be able to receive your CCS, please ensure your child/ren attend the last booking session at our service, as per government law and regulations. Failure to attend this session full fees will be charged.

### **Cancellation Fee:**

The Service requires a minimum of two weeks' notice for the cancellation for the permanent booking and 1 week's cancellation period for casual and vacation care booking.

	Cancellation fee when <b>less</b> than 2 weeks' notice given for Before and After School Care Cancellation fee when <b>less</b> than 1 weeks' notice given for Vacation care and casual bookings.
<b>Permanent booking</b>	\$26.00 per morning session
<b>Term booking</b>	\$22.00 per afternoon session (full fee)
<b>Casual</b>	\$28.00 per morning session \$24.00 per afternoon session (full fee)
<b>Unnotified Absence</b>	\$15 per child per afternoon session/vacation care session

### **Collection Of Late Children:**

**If a parent/guardian is late collecting their child after 6:00 pm, a late fee WILL be charged. A minimum charge of \$20 (+GST) is applied for the first 5 minutes then \$2.00 per minute until their child is collected.** Please make sure any late fee is paid by the next day. Failure to pay this fee will result in the family losing their place.

Please note: Any fees overdue by one week will result in not accepting the child until fees are paid. A family can reapply for their place again after fully paying their fees. Acceptance will depend on the waiting list and place availability. There are no swapping days or make up days. Please be aware the service closes at 6:00pm. In accordance with National Regulations and licensing, we are not permitted to have children in the service after 6:00pm.

If we are unable to contact either the parent or a person nominated by the parent on the enrolment form to arrange collection of the child/children within an hour of the Service closing, then we will contact Department of Education and Communities and the Police to take responsibility of your child.

## **Health and Safety**

The Service provides a healthy and safe environment for children, Educators and families to grow and develop in – as such the Service has a health and safety and hygiene policy regarding illnesses and medications. Children with contagious illnesses are required to be kept at home and a doctor's certificate must be presented to show that the infection cannot be passed when the child returns to the Service.

### **Immunisation:**

The '**No Jab No Play**' policy is an initiative of the Australian Government. Under the policy, children who are not immunised are **not eligible to claim the child care subsidy** while they are attending a child care facility.

Children who cannot be fully vaccinated due to a medical condition or who are on a recognised catch-up schedule may still be enrolled upon presentation of the appropriate form signed by a medical practitioner.

Children who are not appropriately immunised and don't have a medical exemption certificate, will be allowed to enrol in our childcare facility only if they are already enrolled in a school. Families must provide the service with any evidence showing that the child is enrolled in a school without being appropriately immunised.

### **Illness:**

NO CHILD will be admitted with obvious signs of any highly contagious infection or illness. Our policy states the incubation period, symptoms and exclusion periods of such diseases. Children who are not immunised will not be accepted under the 'Child Care enrolment & legislation requirements. Please refer to the following website for further information regarding this legislation. [www.health.nsw.gov.au/immunisation](http://www.health.nsw.gov.au/immunisation).

**I understand that once my child's temperature reaches 38°C, I need to arrange for them to be picked up from the Service ASAP and will not return for the next 24 hours and a doctor certificate must be provided.**

Parent / guardians must have a written clearance from a doctor before they can return to the Service. Any vomiting, diarrhoea or high temperature must be cleared for at least 24 hours to prevent passing of infection to the other children and staff. It is the Service policy, as well as a Department of Family and Community Service regulation that once a child becomes sick at the Service, a parent/guardian must come to collect the child immediately.

**The child will not be allowed back to the Service without a Doctor's clearance certificate or the child is well for the last 24 hours.**

1. The Doctor's certificate must be signed clearly by a medical practitioner.
2. The certificate must specify the type of illness ( sickness ) and that the child is well and fit to attend the Service, and does not represent any risk to the rest of the children.
3. The Service reserves the right to reject a doubtful medical certificate, especially if it does not comply with the Service's requirement.

Please read the Services Manual regarding Sickness and Exclusions. It is a regulation of the Service, and the Commonwealth Department of Human Services, that fees are payable even if the child is absent from the Service due to illness, or parents' choice.

**Medication:**

To work in accordance with our 'Administration of Medication' Policy, we seek your assistance in updating the process for managing the administration of medication to your child whilst they are at our Service.

**Short Term Medication** (Up to two weeks)

Our Service requires written authority from parents/guardians in order to administer short-term medication, including antibiotics. This authority is provided by the parent and confirmed by the Educator completing the 'Short Term Medication' Form.

**Long Term Medication** (Up to 6 months)

If a child requires medication for a period of more than 2 weeks, parents/guardians are required to complete a 'Long Term Medication' Form.

**SELF-ADMINISTRATION OF MEDICATION:**

A child over pre-school age may self-administer medication under the following circumstances:

- A parent or guardian provides written authorisation with consent on the child's enrolment form - administration of medication.
- Medication is stored safely by an Educator, who will provide it to the child when required.
- Supervision is provided by an Educator whilst the child is self-administering.

**Medical Action Plans**

Medical Action Plans, including asthma and anaphylaxis management should be reviewed when the child has been

1. Reassessed by their doctor and/or
2. Each time they obtain a new adrenaline (epinephrine) auto injector prescription, which is approximately every 12 to 18 months.

. Action Plans will often have a date when they are to be reviewed.

**Medication provided by the child's parents must adhere to the following guidelines:**

- The administration of any medication is authorised by a parent or guardian;

### **Asthma & Food Allergies:**

**Please inform the Nominated Supervisor/Coordinator if your child has asthma or an allergy.**

The Service aims to provide a safe environment for children who have asthma. It is Service policy that an “Asthma Record Plan” be completed by parents/guardians in consultation with the family doctor. It is also a requirement that the record plan be reviewed by your family doctor annually or as circumstances change. This must be completed and returned before enrolment commences. These will be available at the time of enrolment.

According to regulations, for a child with Asthma or Food Allergies, parents are required to provide the centre with an **Asthma Action Plan** and/or **Allergy Action Plan** completed by their doctor. This plan is also available at [www.allergy.org.au](http://www.allergy.org.au) or copies are available at the centre. Medical Risk Minimisation Plan will be developed in consultation with the centre. No child with Asthma or an Allergy will be allowed to attend the centre without their Action Plan, EpiPen, Asthma pack and Medication supplied to the service.

The Nominated Supervisor’s and parent’s signature will also be required.

### **Meals: Breakfast & Afternoon Tea:**

Our Service recognises the importance of healthy eating for the growth, development, and wellbeing of your children and is committed to promoting and supporting healthy food and drink choices for children in our care.

Our two weeks rotating menu is developed in consultation with a qualified nutritionist.

Before School Care breakfast is available to all children from 7am to 8:20am. We have toast (both white and brown bread) with a variety of spreads like vegemite, jam and honey. Also have cereal options of weetbixs and rice bubbles along with full cream milk.

After School Care Afternoon Tea consists of a variety of food and served to all children once they are settled in at the service. Every afternoon we have fruit platters with a wide range of fruit mixing it up everyday anything from apples, pears, bananas, watermelon, pineapple, rockmelon, whatever is available at the time and in season. Along with the fruit we also cycle through either corn thins with spreads, noodles, cheese and crackers, Lebanese bread, carrot and dip and yogurt.

Our educators will serve children food based on what is on the menu for that day.

Unfortunately, we are unable to provide various options on the day outside the menu, due to the limited facility and time we have, since we are operating from the school grounds and only during before and after school hours. If you feel that your children will refuse to eat certain foods, please keep in mind that we offer fresh fruits each day and you are more than welcome to pack an afternoon tea taking into consideration that we are Peanut Free service.

Please ensure that one of the senior staff is notified about any allergies and special diets. These should be noted on the enrolment form. Parent / guardians are to provide any especial meals, or milk to children on a special diet.

### **Woronora River Meeting Point:**

For After School Care the OSHC meeting point will be at Woronora River Public School grounds, undercover area in front of the school office, where we collect the children and take them to our centre which is the school library.
